

Week 7: Peer Review and Project 1

Data Literacy

Monday: Student Peer Review

- Bring a copy of your rough draft to class.
 - You will be matched with a student from a different domain group.
 - You will review their draft and provide feedback. You will turn in your feedback via Canvas.
- Peer review guidelines:
 - Use the [Rubric provided in the syllabus](#).
 - Provide a point value for each criterion.
 - Provide written feedback.
 - * Include at least 2 positive comments about their essay.
 - * Include at least 2 constructive comments about their essay.
 - * Do NOT focus on writing in your comments.
 - * Focus on the content.
 - What was interesting?
 - What specifically could be better?

Wednesday: Project 1 Workshop

- Come to class prepared to work on your project with your domain group.

Friday: Project 1 Presentations

- Each group will present their project to the class.
- See the [Project Directions](#)
