

Week 8: Open Source & Access

Data Literacy

Monday: No Class Fall Break

- ESSAY 1 DUE by 11:59 pm

Wednesday: Open Source Data

- Read:
 - [Agnes Nduta, “A Brief History of Open Source”](#)

Watch:

<https://youtu.be/SpeDKiTPbew>

Friday: Open Access Data

Watch:

https://youtu.be/BCQHnlnPusY?si=WFnobZy5C_2nLbvS

DO NOT FORGET THIS STUFF BELOW

- Explore [GitHub](#)
 - Search for a dataset on GitHub in your domain.
 - **Bring a dataset to class.**
 - Optional (Highly recommended because Git might be the most important tool in any data scientist’s toolkit):
 - * Create an account.
 - * Create your first repository.
